HOW COOL IS SCHOOL

March 24th - May 9th

At Reynolds Orthodontics, each year, we ask our patients to write letters expressing their appreciation for the special mentors in their lives. These letters highlight what makes each mentor so exceptional. We then carefully review the entries and select two lucky winners. Both the winning patients and their mentors receive prizes. This initiative is our way of recognizing and thanking the dedicated individuals who guide and support our children.

This contest is our special way of giving back to the community! We're giving away free retainers to anyone who receives a golden ticket from a team member driving our Reynolds Ortho car. But that's not all! Golden ticket holders will also receive an exclusive invitation to our pizza party extravaganza. At the party, we'll announce the grand prize winner of free braces, as well as the 2nd through 4th place winners, who will each receive a fabulous prize basket containing discounts of \$250 to \$500 off new treatment!

I am using Spark teeth straightening program through Reynolds Orthodontics. My experience with Reynolds has been very positive. The staff is friendly, knowledgeable and kind. Appointments are typically on time and efficient. The results of the program have been excellent to this point. I have a few weeks until completion. Reynolds Orthodontics provides excellent care and I highly recommend them if you are in need of orthodontic care.

My son had his Invisalign installed this week. Staff was very friendly and took their time to help him get used to it and were thorough with question we had. Look forward to seeing the results in the upcoming months.

I have ortho PTSD from having braces as a kid so I was apprehensive about getting braces again as an adult to correct jaw/bite issues. After being referred to Reynolds and meeting with Dr. Jen, I felt a lot better about this time around. I've had my braces on since July of 2024 and my experience has been great so far. The staff is all wonderful, especially Cathy. They take great care and fit you in quickly if you need to have something adjusted for comfort too. They use the latest technology and make a plan that will work for you. They also offer financing to make sure you can afford your care. My oldest daughter will be beginning care here soon and I'd highly recommend the Rochester office.
