I am 37 and got my braces at 36 years old. Reynolds has always created an extremely comfortable atmosphere for me, which anyone trying to correct their smile later on in life knows is extremely important as insecurities have been set in for a while. They have also worked with me fitting me in last minute in busy times of the year because I travel for work and am always out of state. Choosing Reynolds has literally been one of the best decisions I have made in my adult life... 😊 I'm finding my confidence even more with every single visit and extremely excited to see the end results...

Great experience. My kids love the doctors and staff. Great rewards program as well which makes it so easy to get them to their appointments because they actually want to go.

The staff members at the front desk were really friendly, warm and inviting. Teresa and the Dr was amazing. They made the process and timeline easy to understand. We are so excited to start our son's journey to an even more beautiful smile!
