EMBRACING **OUR WARRIORS**

November marks the beginning of our Veteran Season of Giving! For some time now, we've been proud to support the Wounded Warriors organization during this month. It has been an honor to contribute to such a remarkable cause over the years. This year, we are excited to announce that we will be donating to a new organization, "Embracing Our Warriors."

Embracing our Warriors mission: We believe that every veteran and their family deserve the confidence to smile. As a nationwide program, our mission is to restore self-esteem and dignity to veterans with service-related disabilities and their children by addressing the often-overlooked challenge of crooked teeth. Through the generous support of orthodontic professionals who donate their services, we provide free orthodontic care that transforms lives. By improving their appearance and boosting their confidence, we empower veterans and their families to reintegrate into civilian life with pride, self-assurance, and the opportunity to face the future with a smile.

Reynolds orthodontics is truly amazing! All of the staff are very pleasant and thorough. They are willing to answer any questions we have and fully explain the next steps in the orthodontic process. The team also works really hard to accommodate our schedules and get the kids in quickly when they have an issue. We highly recommend Reynolds to others!

Reynolds is always quick, professional and gets great results! We are on our 3rd set of braces (3rd son) and they have been more than accommodating and helpful through the whole process. Definitely recommend them.

Great orthodontist! Both of my kids have braces and the offices are always so willing to get them in for broken brackets and any other minor adjustments. Great customer services all around.
