RETAINER GUARANTEE™

➤➤➤ WHAT IS RETAINER GUARANTEE™?

Following treatment, we advise consistent wearing of retainers at night indefinitely. We are pleased to provide the RETAINER GUARANTEE™ program as an integral component of our Comprehensive, Personalized Treatment Plans, so you have peace of mind when you're stuck needing a last-minute replacement retainer. Past and new patients may all enroll in RETAINER GUARANTEE™: all you have to do is ask!

➤➤➤ PROTECT THE SMILE YOU'VE WORKED SO HARD TO GET!

Those who have retainers can attest that there are situations where the retainers may need to be replaced such as: accidental disposal, pet interference, misplacement, or regular wear and tear. At Reynolds Orthodontics, we present a 10-year program ensuring the longevity of both your retainers and your radiant smile!

With a single enrollment fee, you gain access to new retainers with a \$20 copay for each replacement.

I've had three of my kids get their braces at Reynolds Ortho and I have been very pleased all three times. My daughters' teeth look fantastic. The practice as a whole ran very smoothly and on time. They were very proactive watching how my kids weak brushing habits were affecting their teeth and how to best move forward. I really appreciated the time and attention I got from the doctors as well as the ortho assistants. The office staff were super friendly and were really good at helping me with regular schedule changes.

I visited the orthodontist for my daughter's treatment and had a fantastic experience. The staff was friendly and professional, making me feel comfortable throughout the entire appointment. The orthodontist took time to explain the treatment plan in detail. I would highly recommend this orthodontic practice to anyone in need of orthodontic care.

If you're looking for an orthodontist that is thorough, and is dedicated to achieving your desired smile, you can stop your searching and go to the Novi office. They are punctual, so friendly, commitment to ensuring you're comfortable, and they really do strive to realize your smile goals! Everyone there is so down to earth and takes their time with you. Not only that- they give you sunglasses while they work on you so there's not awkward eye contact while they are working on your mouth. This place is the best!
